3.EDC Community & Governance review: Presentation given by Lisa Tremble and Clair Watters

Background – 2 part review a) Consultation with Parish Councils and residents.
b) Responses review and recommendation

Last reviewed in Eden 1974. Not a cost cutting exercise. This review will come into effect in September 2019. BPC had shown interest in merger with another PC.

Adjournment of meeting for Responses and Questions from floor:

AVLW made it quite clear that BPC had “showed interest” NOT 'agreed' when consulted.

Angela Mathers said that TSPC had not been consulted at all and had first seen a recommendation for merger in The Herald.

EDC rep apologised repeatedly for their incorrect misinterpretation of the Brougham consultation, and for not consulting TSPC.

Questions and answers were given re the advantages and disadvantages of a merger between TS and Brougham Parishes.

There was no support of the proposal to amalgamate the parishes.

An adjournment of meeting was called to enable EDC representatives and some members of the general public withdrew.

4.Planning Application 18/0283 : Outline Planning for 5 houses in Brougham Avenue

Recent similar application 17/0556 was refused

Questions and answers were given and discussed:

The difference of the 2 applications – primarily for *local occupancy*, no house size, what is actually being proposed in 'all matters reserved'. Vague site plans with lack of detail.

Reasons for refusal last time have not changed – open agricultural land, no access, dangers of B6262. No school, shop . Not sustainable

Individuals have/will submit individual letters of objection

BPC will submit an objection to Application , primarily on lack of sustainability.

An adjournment of meeting was called while members of the public withdrew.
